Hi Krishna, and HR Team,

Slight correction, it was a misunderstanding from my side about the approval request for my last working day.

I would like to request, Krishna and HR Team to kindly review my request for early release on 31st August 2026 as my last working day considering the situation.

Apologies for the confusion.

Please let me know if you need any more details from me.

Thanks, and Regards
Avanish Gupta

Subject: Resignation and Request for Early Release - Associate Software Engineer (Emp ID: 027592)

Dear Anushree / HR Team,

Please accept this email as formal notification that I am resigning from my position as an Associate Software Engineer at Berkadia Services India Private Limited.

Recently, I have secured an opportunity in the Government of India, which is a significant step in my career. Because the joining timelines for this public sector role are fixed and non-negotiable, I kindly request your support in approving my final release date as **31 August 2026** so that I can report for my joining in time. To align with this timeline, I am requesting an early release of approximately two weeks on **31 August 2026**.

I have informed my reporting managers, Nagendra and Usha, along with our leadership (Krishna), who have kindly reviewed and approved this release date of 31 August 2026.

To ensure this transition is smooth and mutually beneficial, I would like to propose the following:

- 1. Active Notice & Transition:** I am committed to serving a highly active and dedicated notice period until my requested release date. I will ensure all ongoing deliverables are completed and conduct a comprehensive handover of all my responsibilities to the designated team members to ensure zero disruption to our project timelines.
- 2. Notice Period Adjustment:** I am ready to clear any dues, considering my accumulated leaves, to facilitate my early release on 31 August 2026.

My journey with Berkadia has been incredibly rewarding. I am deeply grateful for the mentorship, trust, and growth opportunities you, the HR team, and the leadership team have provided me. Winning the H15 Award for my project contributions will always remain a proud highlight of my time here. I want to thank everyone for their constant support, collaboration, and encouragement.

I kindly request you to approve my resignation and confirm my final release date as **31 August 2026** so that I can initiate the exit clearance process. Please include my personal email address (avanish.gupta.official1@gmail.com) in all future exit-related communications to ensure continuity once my official access is deactivated.

Thank you once again for everything. I wish Berkadia and the team continued success.

Sincerely,

Avanish Kumar Gupta
